KARACHI METROPOLITAN CORPORATION
Department of Katchi Abadis

PUBLIC NOTICE

It is hereby informed to the general public that Shershah Colony, located in District Keamari, falls within the jurisdiction of the Department of Katchi Abadis, KMC. The KMC Council had approved the inclusion of this colony in the list of Katchi Abadis through Resolution No. (CR. No. 289), dated 23rd February 1981, which was subsequently notified by the Government via Notification No. SKAA/NOT/KAR-1/87, dated 14th November 1987.

Three layout sheets of Shershah Colony (Sheets I, II, and III) were duly approved after completing all legal formalities through Resolution No. 1478, dated 18th January 1992, under which the lease process has already been ongoing.

However, a portion of the area consisting of Sheets IV and V, which was previously being used for commercial purposes, had not been approved at that time. In order to improve KMC's revenue recovery, the Department of Katchi Abadis has now obtained approval for these two sheets (IV and V) from the current KMC's Council through Resolution No. 162, dated 31st October 2025, and is initiating the lease process for them.

Since this has been a long-standing issue for the residents, occupants of the plots in the area are advised to contact the Department of Katchi Abadis, KMC, to complete the leasing process of their plots conveniently.

In case of any difficulty, residents may visit the Department of Katchi Abadis, KMC Office, located at Ground Floor, Water Board Head Office, near Civic Center, Gulshan-e-Iqbal, Karachi.
